 Shel 'll dress up all in lace and go in style

Late at night a big old house gets lonely

I guess every form of refuge has its price

And it breaks her heart to think her love is only

Given to a man with hands as cold as ice G | am⁷ D⁷ |

So she tells him she must go out for the evening

To comfort an old friend who's feelin' down

But he knows where she's goin' as she's leavin'

She is headed for the cheatin' side of town G C/G G D⁷ | G |

am D G | Gmaj⁷ | C | C | am | D⁷ | G | G |
There ain't no way to hide your lyin' eyes

On the other side of town a boy is waiting

With fiery eyes and dreams no one could steal

She drives on through the night anticipating

'Cause he makes her feel the way she used to feel G | am⁷ D⁷ |

She rushes to his arms, they fall together

She whispers that it's only for awhile

She swears that soon she'll be comin' back forever

She pulls away and leaves him with a smile

You can't hide your lyin' eyes
 And your smile is a thin disguise
 I thought by now you'd realize
 There ain't now way to hide your lyin' eyes

She gets up and pours herself a strong one

And stares out at the stars up in the sky

Another night, it's gonna be a long one

G | am⁷ D⁷ |

She draws the shade and hangs her head to cry

She wonders how it ever got this crazy

She thinks about a boy she knew in school

Did she get tired or did she just get lazy?

G | G D⁷ |

She's so far gone she feels just like a fool

My oh my, you sure know how to arrange this
 You set it up so well, so carefully
 Ain't it funny how your new life didn't change things?
 You're still the same old girl you used to be

You can't hide your lyin' eyes
 And your smile is a this disguise
 I thought by now you'd realize
 There ain't no way to hide your lyin' eyes
 There ain't no way to hide your lyin' eyes
 Honey, you can't hide your lyin' eyes
